

CQ CQ CQ Calling the Friday Night Tech Net.

Your Net Control station this evening is **[CALLSIGN]** . I am located in **[CITY NAME]**, and my name is **[YOUR NAME]**. {break}

This net meets each Friday night at 2100 hours local time on the W4DEX repeater located in Locust, North Carolina. The Locust repeater operates on a frequency of 147.390 Megahertz, with a positive offset, and a 77 Hertz PL tone.

In the event of failure, or other problems with this repeater, the net will move to the K4OGB club repeater located in Albemarle, North Carolina. This repeater operates on a frequency of 146.985 Megahertz, with a negative offset, and a PL tone of 77 Hertz. {break}

The purpose of this net is to discuss and help each other with problems of a technical nature. Also, if you have any items that you wish to buy, sell, or trade that are Amateur related, or any concerns or announcements, please feel free to do so. Formal traffic is encouraged.

This is a directed net, so please direct all communications to Net Control.

All licensed amateurs are invited to check in to tonight's net.

The net will begin with any announcements or formal traffic for the net. Anyone with announcements or formal traffic, please call net control. {break}

(Handle any announcements or formal traffic)

Next, we will take check-ins. Check-ins will be in alphabetical order, using the first letter of your call sign suffix. This is the first letter after the number in your call sign. When checking in, please call Net Control, un-key to listen for a possible double, then give your call sign phonetically, your name, and your location. You may also indicate if you are operating on other than commercial power. {UnKey}

*(After each group of check-ins, please acknowledge by call signs so they are sure they were heard)*

Any mobile stations, please call Net Control:

*(you may include portables if you wish, but please specify)*

*(You may use 3 or 4 groups, normally 3 is sufficient)*
