

CQ CQ CQ - Calling the Stanly County Amateur Radio Club Net.

Your Net Control station this evening is **[CALLSIGN]**. I am located in **[CITY NAME]**, and my name is **[YOUR NAME]**. {UnKey}

This net meets each Wednesday at 2100 hours local time on the K4OGB club repeater located in Albemarle, North Carolina. This repeater operates on a frequency of 146.985 Megahertz, with a negative offset, and a PL tone of 77 Hertz.

In the event of failure, or other problems with this repeater, the net will move to the K4DVA repeater located on Morrow Mountain. The Morrow Mountain repeater operates on a frequency of 443.525 MHz, with a positive offset, and a 77 Hertz PL tone. {UnKey}

The purpose of this net is to test our equipment, pass formal and informal traffic, and for general fellowship. This is a directed net, so please direct all communications to Net Control.

All licensed amateurs are invited to check in to tonight's net.

The net will begin with any announcements or formal traffic for the net. Anyone with announcements or formal traffic, please call net control. {UnKey}

(Handle any announcements or formal traffic)

Next, we will take check-ins. Check-ins will be in alphabetical order, using the first letter of your call sign suffix. This is the first letter after the number in your call sign. When checking in, please call Net Control, un-key to listen for a possible double, then give your call sign phonetically, your name, and your location. You may also indicate if you are operating on other than commercial power. {UnKey}

(After each group of check-ins, please acknowledge by call signs so they are sure they were heard)

Any mobile stations, please call Net Control:

(you may include portables if you wish, but please specify)

(You may use 3 or 4 groups, normally 3 is sufficient)

Stations Alpha through Golf, please call Net Control: {UnKey}

Stations Hotel through Mike, please call Net Control: {UnKey}
